

Roads Scholar Program

Features four recognition levels and specific subject coverage in five different categories.

The Roads Scholar Program provides:

- Recognition of training and achievement across various levels
- Coverage of subjects essential to effective road management

Reasons to enroll in our scholar program:

- Receive experienced instruction from dynamic presenters
- Benefit from hands-on learning
- Meet new people
- Share your experience and expertise
- Enjoy some friendly peer competition

Upon graduation you'll have:

- Official recognition letter and certificate sent to you and your supervisor
- Feature article in the Vermont Local Roads newsletter
- Award recognition presented among your peers
- Increased confidence and knowledge

For training quality assurance, Vermont Local Roads offers evaluations at every training. We look forward to hearing your comments.

Roads Scholar	Level 1	Level 2	Level 3	Masters
<u>Categories</u>	Hours Required per Category for Each Level			
Equipment	18	30	36	36
Environmental	6	6	12	12
Safety	6	12	18	18
Supervisory	0	6	12	12
Technical	30	42	48	48
Tailored to choice				49
Cumulative Hours	60	96	126	175

There are four attainable levels. Each level builds on the total from the last level, i.e., Level 1 requires 30 hours technical; 12 more hours are required for Level 2 for a total of 42 technical hours.
