

Town of West Windsor Highway Department Job Opening

Full-Time Highway Department Employee (40 hours per week)

This is a Monday through Friday position, 8 hours per day with on-call responsibilities in the winter for snowplowing operations.

- Must have a High School diploma, Vermont driver's license, and a CDL class B license.
- A strong mechanical aptitude and knowledge of basic mechanical repair are required. Basic office computer skills as needed.
- Ability to work cooperatively with others in a team environment. (The current staff consists of one foreman and three employees).
- Ability to perform work in a safe, thoughtful manner. Must participate in annual safety trainings as required. Must be willing to comply with random drug testing.
- Operate heavy equipment including but not limited to chainsaws, chipper, dump truck, snowplowing, tractor, loader, excavator, hand tools, etc.

The ideal candidate would have a highway department background or employment with an excavation or general contracting company.

The Town offers a very competitive compensation and health care benefits package.
